# Liberty Rear Access Collection Mailbox

Mounted through a wall, mail is delivered through a conventional letter plate. The mail then passes through a chute, drops into a collection box and is retrieved from the rear lockable secure access door. The chute depth can be adjusted to match the thickness of your wall. The chute is held in place with masonry and silicone adhesive (not provided).

Model #: LIB-LM6

Liberty mailbox dimensions: 11.5"W x 16.5"H x 14"D

Rear access door opening dimensions: 7"W x 7.5"H

Incoming slot opening dimensions: 9"W x 2.5"H

Weight: 18 lb.

## Options:

- Letter plates available in antique copper, silver, bronze, or black.
- Adjustable chute to match the thickness of your wall.
