

The Edgewood™ Classic Lighted Address with LEDs

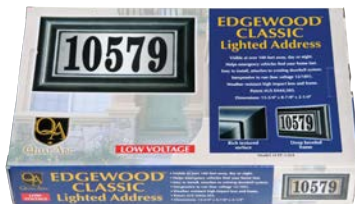

The Edgewood™ Classic is now available with brighter, energy-efficient LEDs that use less power than standard incandescent bulbs. Also, long-lasting LEDs reduce the need to replace bulbs for years to come. Please note: LEDs require 18V-20V to operate properly.

The Edgewood™ Classic is an attractive, high quality lighted address plaque that is designed to maximize your home's curb appeal, while keeping a lid on costs.
